Such list shall contain as to each alien, his name and port whence he came, his nationality, his race, his last residence, his intended destination in the United States, whether he has a ticket through to such destination, whether his passage is paid by himself or by others, whether he has in his possession more than $50 in money, whether he is in possession of a railroad ticket or other ticket showing a through destination, whether he has been in the United States before, whether he is coming to join a relative or friend, and if so what relative or friend and his name and complete address, whether he has ever been in prison or in almshouse or an asylum for the insane or supported by charity, whether he is a polygamist, whether he is an anarchist, whether he believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, whether he is coming pursuant to previous promise or agreement to perform labor in the United States, and if so what kind of labor, whether he is a person who has been deported within one year prior to the date of his last arrival in the United States, whether he is coming for a criminal or immoral purpose, whether he is mentally or physically defective, and such other facts as may be required by the Secretary of Labor, and as to each alien not a citizen of the United States the list shall show the country of which he is a citizen or subject, the country to which he belongs by birth, and the race to which he belongs. The Secretary of Labor may, in his discretion, require such list to contain such additional information as he may deem necessary to the proper administration of this Act. Any master, commanding officer, first or second officer, purser, or other officer, owner, consignee, agent, charterer, or person who shall refuse to deliver such list, or who shall refuse to answer any question in relation to the information required by this section, or who shall willfully answer falsely to any such question, shall be guilty of a misdemeanor and shall be punished by a fine of not more than $1,000 or by imprisonment for not more than one year, or by both such fine and imprisonment, for each such offense. The master, commanding officer, first or second officer, purser, or other officer of such vessel, or the owner, consignee, agent, or charterer thereof, or of one of them, if there be more than one, or, if the vessel be owned by a corporation, the president, vice president, secretary, treasurer, or managing agent thereof, shall be severally liable to the penalty prescribed for each and every violation of the provisions of this section. The Secretary of Labor may, in his discretion, refuse clearance papers to any vessel whose master, commanding officer, first or second officer, purser, or other officer, owner, consignee, agent, charterer, or person has violated the provisions of this section, and may, in his discretion, withhold clearance papers from any vessel upon which any alien has been detained by the immigration officers for special inquiry, until the master, commanding officer, first or second officer, purser, or other officer, owner, consignee, agent, charterer, or person has complied with the requirements of this section and with the requirements of the immigration laws touching the persons detained. Upon the refusal of the Secretary of Labor to issue clearance papers to any vessel, as herein provided, he shall cause a notice of such refusal, with the reasons therefor, to be served upon the master, commanding officer, first or second officer, purser, or other officer, owner, consignee, agent, charterer, or person, and, in the event such person shall deem himself aggrieved by the decision of the Secretary of Labor, he may appeal to the United States district court in the district in which the port of arrival is located, by petition setting forth briefly the cause of complaint, and thereupon such case shall be heard and determined by such court as speedily as possible, and counsel may be heard on behalf of the petitioner and the Secretary of Labor, and such court may affirm or reverse the decision of the Secretary of Labor, and enter such order in the premises as it may think proper, and its decision shall be final: *Provided*, That clearance may be granted pending the determination of such appeal upon the deposit of a sum sufficient to pay the head tax and all expenses that may be incurred or chargeable against the vessel on account of any alien on board thereof, or a bond for the payment of such head tax and expenses in such sum and with such sureties as may be required by the Secretary of Labor, and, in the event such head tax and expenses are finally adjudged against such vessel, the money deposited as herein provided shall be applied to the payment thereof, and the surplus, if any there be, shall be paid over to the person making the deposit, or his legal representatives, but if such head tax and expenses are not paid the vessel shall be liable therefor and may be libeled and proceeded against in any district court of the United States within the jurisdiction of which such vessel may arrive or depart. The payment of head taxes and expenses shall not be required from any master, commanding officer, first or second officer, purser, or other officer, owner, consignee, agent, charterer, or person who has violated the provisions of this section, if such violation was occasioned by stress of weather or other cause beyond his control, and which could not have been prevented by human foresight or skill, nor from any master, commanding officer, first or second officer, purser, or other officer, owner, consignee, agent, charterer, or person who has complied with the requirements of this section and with the requirements of the immigration laws touching the persons detained, and who has been furnished and has in his possession at the time of the departure of the vessel for a port of the United States a list, duly verified, of all persons who have been detained by the immigration officers for special inquiry, and who has delivered a true copy of such list to the proper immigration officer at the port of arrival.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply a general term, as laborer, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column needs no detailed explanation. The question to be asked is what language or dialect the alien is able to read and write. In answering this question, the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading test requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and to entries which should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under heading race, people, or nation, "French" by race or people, and, similarly, "French" appearing under heading country of last permanent residence, "French" by country. "English, German, or Hebrew alien by race or people" does not mean "England," "Germany," or "Palestine" by country. "American" by race or people does not necessarily come under the headings of England, Scotland, or any other country. In this connection the following classifications should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies, other than either Cuban or Negro.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro who either comes from Cuba or other West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartment of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return to it from abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family (if there are such) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891–1897, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors or others in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, J. Cunningham Walker, Surgeon of the Alsia, Employed, do
State whether Surgeon "on" or "for" vessel, employed by owners thereof, as the case may be.
solemnly, sincerely, and truly declare that I have had 25 years' experience as a Physician

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Wm C Powell, Master, of the Br S/S Ulua, from Cristobal via Havana, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 5 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Wm C Powell
Master Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter appropriate only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as, for example, Civil engineer, stationary engineer, blacksmith, machinist, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money she may possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Separate persons unless they make this distinction on the manifests, and corrections should be made if the entries by inspectors at registry clerks during the personal examination of alien arrivals.

Column 8 (*Literacy and race*).—The column is subdivided and contains the following question: Can read [or, if exemption is claimed upon what ground]. In answering this question the word "read" as used in the reading requirement of the law should be construed to mean the ability of the alien to read the language or dialect prescribed for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which he may be a citizen or subject.

Persons born in the United States, employed abroad by the United States Government or by private concerns, or sojourning temporarily abroad, should be described as to race in accordance with the following directions, which are also to be followed by persons born in foreign countries, who are returning to the United States after a temporary residence abroad:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies, i. e., other than either Cubans or Negroes.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The term "African (black)" refers to the African Negro, whether coming from Africa or other parts of the West Indies, North or South America, Europe, or Asia. An alien with admixture of blood of the African Negro should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return after a visit abroad should be recorded as "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether has ticket to such final destination*).—The answer should be either Yes, ticketed, or No, not ticketed.

Column 16 (*Whether alien was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should be divided among the several members of the family.

Columns 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1907, Philadelphia.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to re-examination by inspection officers. In examination of aliens who are subject to re-examination by inspection officers. In examination of aliens who are subject to re-examination by inspection officers. In examination of aliens who

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Paul Jowell Master, of the Br S/S. Ulua, from Puerto Limon via Havana, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master Officer.

Sworn to before me this 25 day of July, 1920

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applied to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, W. I., widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, engineer, or polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

Farmer. One who operates a farm, either for himself or for others.

Farm laborer. One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by the inspectors and registry clerks during the personal examination of alien arrivals.

Column 8. *Last or final residence.*—This column is subdivided and contains the following questions:

Race. What is the race, people, or kindred of this alien? (See list of races printed on back of this sheet.) The entry should show the race or people to which the alien belongs, as Irish, English, Scotch, German, French, Italian (North), Italian (South), Spanish, Portuguese, Dutch, Flemish, Greek, Russian, Polish, Finnish, Hebrew, Bohemian or Moravian, Slovak, Lithuanian, Croatian or Slovenian, Dalmatian, Bosnian or Herzegovinian, Servian, Bulgarian, Montenegrin, Roumanian, Magyar, Armenian, Syrian, Turkish, Arabian, Afghan, Hindu, Chinese, Japanese, Korean, East Indian, Mexican, West Indian, Scandinavian, Negro, Pacific Islander, Ethiopian (Abyssinian), Central American Indian, South American Indian, or other race or people, designating each by its appropriate name.

Distinction should be made by race or people, and not by country, between Irish and English, Scotch and English, Welsh and English, Canadian (French) and French, Canadian (other than French) and English, Canadian (other than French) and Scotch, Canadian (other than French) and Irish, Canadian (other than French) and Welsh, Canadian (other than French) and other British, Canadian (French) and other French, Canadian (French) and Belgian, Canadian (French) and Swiss, Canadian (French) and Spanish, Canadian (French) and Italian, Canadian (French) and Portuguese, Canadian (French) and Roumanian, Canadian (French) and Russian, Canadian (French) and Syrian, Canadian (French) and Turkish, Canadian (French) and Armenian, Canadian (French) and Greek, Canadian (French) and Arabian, Canadian (French) and Hebrew, Canadian (French) and Negro, Canadian (French) and Chinese, Canadian (French) and Japanese, Canadian (French) and Hindu, Canadian (French) and East Indian, Canadian (French) and Mexican, Canadian (French) and West Indian, Canadian (French) and Scandinavian, Canadian (French) and Pacific Islander, Canadian (French) and Ethiopian (Abyssinian), Canadian (French) and Central American Indian, Canadian (French) and South American Indian, Canadian (French) and other race or people, designating each by its appropriate name.

Nationality. Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the same people as given in column 8.

Special care should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully prepared in these essential particulars in this regard. For instance, "France" appearing under heads of race or people means "French" by race or people, and, similarly, "French" appearing under heads of country or people does not mean "France" by country. An Irish, German, or Hebrew alien may be an English passenger, as under the headings of England, Switzerland, or any other country. In this connection the following directions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

West Indians, to be so described, are natives of the West Indies, either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK.

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14. *Whether having a ticket through to final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether passage paid by whom.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50, and if less how much.*—The answer should give in each case such amount of money as the alien has in his possession. Any amount less than $50 should be shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1901, 1902, Philadelphia.

Column 19. *Whether coming to join relative or friend, and if so, what relative or friend.*—The answer should show whether coming to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 38.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to be taken by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Form 440

AFFIDAVIT OF SURGEON

I, H. Cecil Walker, Surgeon of the Alsia, Employed, do (state whether Surgeon "sailing thereon" or "employed by owners thereof" as the case may be)

solemnly, sincerely, and truly declare that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of British Medical Council, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they, as laborers—

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Ability to read and write*).—This column is subdivided and contains the following question: "Read what language (or if exemption reclaimed, upon what ground)?" In answering this question the examining officer must be satisfied that the alien is able to read, should he state that he can read. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which he said he belonged.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of race or people does not mean "France" the country. An Irish, German, or Hebrew alien has never, or but rarely, come from the headwaters of England, Switzerland, or any other country. In this connection the following discussions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of pure Indian descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro shall be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Umbria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13a (*Whether having a ticket to said final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family (the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when, and where*).—The entries should show whether or not Yes or No, in the United States before, and if so, the year or period of years and place, as 1894, 1897, Philadelphia.

Column 19 (*Whether going to any relative or friend, and if so, what relative or friend*).—The answer should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 (*Sex*).—These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship agents should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors examining (for personal examination of aliens arrivals).

Column 8 (*Able to read and write*).—This column must be ruled and contain the following question: Read what language (or if exemption be claimed, upon what ground)? If answering this question in the affirmative, or if alien is able to read, should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and deputy clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" because of country. An Irish, German, or Hebrew alien by race or last permanent residence, come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro will be classed and under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... Master ..., of the S.S. Manchuria, from Hamburg, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax, etc.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Last permanent residence.* — The answer to this column should be the country of which the alien last applying for admission to the United States was a bona fide resident.

Column 4. *Sex.* — The entry should be either M for male or F for female.

Column 5. *Married or single.* — The answer should be M, married; S, single; W, widow; or D, divorced.

Column 7. *Calling or occupation.* — The entry should describe the occupation as precisely as possible. The common terms "laborer" or "servant" are not sufficiently descriptive. Care should be taken to distinguish between skilled and unskilled laborers, as well as between professional men and persons pursuing lesser vocations, and whether in connection with a trade, business, or profession, or as a simple laborer, or in domestic service, as the case may be.

Attention is also called to the distinction between laborers and farm laborers, as those of the latter class are admissible under certain conditions, as shown on page 2.

A person who comes to work for himself or for others is not to be classified as a laborer.

A farm laborer must be going to work for a farmer or for some one working on a farm.

Special attention is directed to the requirement that the nationality and race of all persons must be stated. Under no circumstances should the entry "American" be accepted. In answering this question, Brazil, Canada, Mexico, Cuba, Central and South American countries, and all countries other than the United States must not be entered as the country to which the alien belongs. Such entries as "Scotch," "English," "Welsh," "Irish," "Canadian," "Cuban," "Mexican," "Brazilian," "Central American," "South American," "West Indian," "Polish," "Syrian," "Arabian," "Turkish," "Hebrew," or "Negro" are not sufficient. The question requires the country to which the alien belongs, not the country of which he is a citizen or subject. For example, a native of Scotland should be entered as a subject of Great Britain, a native of Ireland as a subject of Ireland, a native of Cuba as a subject of Cuba, a native of Mexico as a subject of Mexico, a native of Brazil as a subject of Brazil, a native of Canada as a subject of Canada, a native of Poland as a subject of Poland, a native of Syria as a subject of Syria, a native of Arabia as a subject of Arabia, a native of Turkey as a subject of Turkey, a native of Hebrew race as a subject of the country from which he came to the United States, a native of Central America as a subject of the country to which he belongs, a native of South America as a subject of the country to which he belongs, a native of the West Indies as a subject of the country to which he belongs, a native of Africa as a subject of the country to which he belongs, a native of Australia as a subject of the country to which he belongs, a native of Asia as a subject of the country to which he belongs, a native of Europe as a subject of the country to which he belongs, a native of the United States as a subject of the United States, a native of Germany as a subject of Germany, a native of France as a subject of France, a native of Italy as a subject of Italy, a native of Spain as a subject of Spain, a native of Portugal as a subject of Portugal, a native of Greece as a subject of Greece, a native of Russia as a subject of Russia, a native of Japan as a subject of Japan, a native of China as a subject of China, a native of Korea as a subject of Korea, a native of Siam as a subject of Siam, a native of Persia as a subject of Persia, a native of Afghanistan as a subject of Afghanistan, a native of India as a subject of India, a native of Egypt as a subject of Egypt, a native of Abyssinia as a subject of Abyssinia, a native of Liberia as a subject of Liberia, a native of Morocco as a subject of Morocco, a native of Algeria as a subject of Algeria, a native of Tunis as a subject of Tunis, a native of Tripoli as a subject of Tripoli, a native of the Sudan as a subject of the Sudan

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.*—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year old.

Column 4. *Sex.*—The entry should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, such as, for example, clerk, engineer, shoemaker, tailor, mason, engineer, machinist, painter, carpenter, blacksmith, seamstress, housekeeper, servant girl, cook, waiter, barber, laborer, or other definite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money each possesses, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and correspondingly should the immigrant inspectors at the ports of arrival, in their examination of aliens arriving.

Column 8. *Can read or cannot read.*—These columns are to be filled so as to show whether the alien can or cannot read the English language or some other language or dialect. Under the law the test is the ability to read, and not the ability to write. Aliens who can read but cannot write should be entered in the affirmative in column 8. Questions 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See instructions printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject country of last permanent residence and country of birth and manifest should be amended, if necessary, in accordance therewith. For instance, Chinese apparently come under the head of country of nationality. French, English, German, or Italian, as the case may be, rather than the head of race or people to which they belong. Likewise, Scotch, German, or Italian should be entered as the race or people to which natives of England, Switzerland, or any other country belong. In this connection the following notes are inserted and should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people as to Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa or of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence for one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more should be the last permanent residence regarded, except temporary residence, country of birth immaterial, or race.

Contrary to the last permanent residence of aliens who are permanent residents of the United States and are returning to it, Italy abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative, friend, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should show the intended but not permanent residence. An intended residence of one year shall constitute permanent residence. The entry should be limited to the place (city or town) of intended future permanent residence within the United States, except in transit through the United States.

Column 15. *Whether in possession of railroad or steamship ticket.*—The answer should be either Yes (or X) or No.

Column 16. *If not, by whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should be Yes (or X) or No, and if the former the exact amount of money shown. Money brought in the hand is certainly held not to be divided between the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The answer should be worded either Yes (or X) or No, as in the United States before, and if so the date and place, as 1901, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so what relative or friend, and his name and complete address.*—The answer should show whether the alien is going to join either a relative or friend, and if so what relative or friend, giving name and complete address.

Columns 20 to 37.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by inspection officers at the examination of the alien. However, to answer the question 2, if alien has been deported within one year, and if the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Column 7. *Can read.* The entry should be "Yes" or "No," as the person can or can not read.

Column 8. *Last permanent residence.* Actual or intended residence in the country of last permanent residence. The last country in which aliens resided with the intention of remaining is regarded as their last permanent residence. If uncertain as to the intention with which residence was established, the last permanent residence for a period of one year or more is considered to be the last permanent residence. It should show the country, and citizens will show country of last permanent residence under any treaty purposes that steamship companies are entitled to show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad should be recorded "United States." The

Column 12. *Name and complete address of nearest relative.* Here each alien should give the name and address of the nearest relative or friend in the country whence he came. Columns 20 to 33. These questions are self-explanatory, and the answers should be in the form the law requires. However, the answer to question 24, if the alien has been deported within one year and the Secretary of Labor has exercised his discretion to permit the alien to reapply for admission, the answer should be "Yes." If such reapplication has been made, the answer should be "No."

ITALIAN, NORTH

The people who are native to the basin of the River Po in the valleys of the Piedmont, Lombardy, Venetia and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, North." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are native to that portion of Italy south of the basin of the River Po, comprising the provinces of Umbria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian, South," whether residing in Italy, Switzerland, Austria-Hungary, or any other country.

AFRICAN (BLACK)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary, engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1894, 1896, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 24, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

such vessel, or otherwise.)
solemnly, sincerely, and truly swear that I have had — 33 — years' experience as a Physician

If examined at sea, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M, male, or F, female.

Column 6. *Married or single.* — The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, statistician, engineer, mining engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money known, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made accordingly by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 8 to 10. *Read and write.* — This column is subdivided and contains the following question: Read what language (or dialect)? (exemption is claimed upon what ground)? In answering this question "read and write" means able to read and write some language. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See instructions printed on back of this sheet. The entry should be "race or people" and not "nationality."

Special attention is directed to the distinction between race and the country of which the alien is a subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed in respect to these entries in this regard. For instance, "France" appearing under the heading of country, does not indicate French by race or people, and, similarly, "French" appearing under the heading of race or people does not indicate France the country. An Irish, German, or Hebrew alien by race might properly enough be entered under the heading of England, Switzerland, or any other country. In this connection the following classification should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people—the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute a permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13. *Ultimate destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States (country, if outside the United States).

Column 15. *Whether having a ticket to ultimate destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid?* — The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.* — The answer should given in each case individually (not "family," the exact amount of money shown. Money brought to the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of year, and places, as 1891-1897, Philadelphia.

Column 19. *Whether going to join relative or friend; and if so, what relative or friend.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. — These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 21, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible] make no entries in this column. The space [illegible] express [illegible] years or months, the latter [illegible]

[illegible] M, male; or F, female.

[illegible] S, single; W, married; W, widowed; [illegible]

[illegible] The entry should describe as accurately as possible the occupa[illegible] as "laborer," "servant," "farmer," "clerk," "tailor," "carpenter," "stationary engineer," [illegible] "merchant," "manufacturer," "gentleman," "lady," or other appropriate designation.

A person who has been in business of any kind, or is himself or for others, [illegible] should be returned as a merchant, and not as a laborer, regardless of the amount of money [illegible]

A farmer owning, hiring, or working a farm, or working for himself or for others [illegible]

A farm laborer who works on a farm for the man who operates it.

[illegible] Ditto marks should not be used. Each line must be filled out completely, and corrections should be made [illegible] by erasures and not by writing over. Great care should be taken to prevent erasures during the personal examination of alien arrivals.

Column 11, *Final destination.* This column should be filled and contains the following question: "Whether ticket through to final destination; if not, to what point contracted?" In answering this question it will be sufficient if the words "ticket through" be used. If alien is unable to name and claims exemption from the requirement, the ground for such exemption should be given.

Column 12, *Name and complete address of nearest relative or friend in the country whence alien came.* This question should be construed to mean the country of which alien is a citizen or subject. [illegible] See list of cities printed on back of the sheet. The entry should show [illegible] whether [illegible] and the relationship, if any, between race and the country of which [illegible] a citizen or subject. Natives of Austria should be described as Austrians, not as Bohemians, Hungarians, Croatians, Slavonians, Dalmatians, Galicians, Slovenians, Ruthenians, or Tyrolese, unless they are specifically so described in the passports. Natives of Russia should be described as Russians, not as Finns, Poles, Lithuanians, Livonians, Courlanders, Esthonians, Georgians, Circassians, Tartars, Jews, Moldavians, Bessarabians, Siberians, Crimeans, Caucasians, or Kalmucks, unless they are specifically so described in the passports. Natives of Sweden should be described as Swedes, not as Finns or Lapps, unless they are specifically so described in the passports. Natives of Switzerland should be described as Swiss, not as Germans, French, Italians, or Austrians, unless they are specifically so described in the passports. Natives of the United States, whether white, black, yellow, or brown, should be described as such.

Column 13, *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* The answer should show whether going to join father, husband, wife, child, brother, sister, mother, grandparent, uncle, aunt, cousin, nephew, niece, or other relative, and if so, which one, and should also show the name and complete address of the person to be joined.

Column 14, *Whether in possession of $50 and if less than $50, how much.* The answer should show whether alien has in his possession at the time of landing fifty dollars in money, and if less than fifty dollars, how much less. Any amount of money over fifty dollars in the possession of any one alien, or in the possession of any one family, should be reported, and the amount stated. Money in the form of drafts, checks, or letters of credit should not be considered as money within the meaning of this law.

Column 15, *Whether ever before in the United States, and if so, when and where.* The answer should show whether alien has ever been in the United States before, and if so, when and where, as, e. g., 1894, Philadelphia.

Column 16, *Whether going to a friend, and if so, what friend, and his name and complete address.* The answer should show whether going to join father, husband, wife, child, brother, sister, mother, grandparent, uncle, aunt, cousin, nephew, niece, or other relative or friend, and if so, which one, and should also show the name and complete address of the person to be joined.

Columns 17 to 23. The columns are self explanatory, and the answers likely to be given in the blank [illegible] to be entered by the inspection officer in the examination of aliens. However, in answering question 21, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN, NORTH

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Separate sheets should be prepared for each port at which passengers embark.

Column 2 *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 *Age.*—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 *Sex.*—The entry should be either M (male) or F (female).

Column 6 *Married or single.*—The answer should be M (married), S (single), Wd (if a widow), or D (if divorced).

Column 7 *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, not, for example, "Civil engineer," "stationary engineer," "locomotive engineer," "mining engineer," "gas engineer," "steel worker," "iron worker," "woolen mill operative," simply as "engineer," "laborer," "mason," "carpenter," "tailor," "tailoress," "dressmaker," etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and care is to be exercised by inspectors and head-money clerks during the personal examination of alien arrivals.

Column 8 *Can read or cannot read.*—This column contains the following question: Read what language or dialect an examination is conducted upon, and record it. In answering this question the language or dialect spoken readily by the alien should be stated. If alien is unable to read and claims examination in the regard, inspector shall record such claim and the language stated by alien.

Column 9 *Nationality.*—(English will be construed to mean the nationality of Great Britain, not race or people.)

Column 10 *Race or people.*—See instructions printed on back of the sheet. The entry should describe as accurately as possible the race or people to which each alien belongs. Every effort should be made to prevent the return of any alien to a country other than that whose people he claims to be, unless it is clearly shown that he does not belong to the race or people of the country of his nationality. Persons coming from countries in which they have resided for a long time should be carefully examined, and the country of birth and nationality should be carefully noted. In the case of Turkish subjects, the entry should be "Armenian," "Syrian," "Arabian," "Turk," "Hebrew," or other race, according to the best information obtainable. Greeks should be described as "Greek," and not as "Turk." Persons appearing to belong to the Latin race, descended from French, Italian, or Spanish people, and similarly, French, Spanish, Italian, Portuguese, and Roumanian subjects should be described as "French," "Spanish," "Italian," "Portuguese," and "Roumanian," respectively, and not as "Latin." Africans, Chinese, Japanese, Hindus, Koreans, and Polynesians should be described as "African (black)," "Chinese," "Japanese," "Hindu," "Korean," and "Polynesian," respectively. Persons coming from the Turkish Empire should be described as "Armenian," "Syrian," "Arabian," "Turkish," "Hebrew," or "Greek," according to the best information obtainable. Jews from Russia, Austria-Hungary, Germany, and other countries should be described as "Hebrew," and not by the name of the country from which they come. Scotch, Irish, Welsh, English, German, or Hebrew aliens have no right properly to come to the United States, Switzerland, or any other country. In this connection the following should be carefully observed:

CUBA.

The term "Cuban" refers to the Cuban people but Negroes

WEST INDIES.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes

SOUTH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other lands in the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the compartimenti of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the present and remunerative employer or himself shall be the last permanent residence regardless of how often actual residence there. The entries under Item 11 should show the country and city or town of last permanent residence. It is important for commercial purposes that steamship companies accurately show countries of last permanent residence, residence of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative* [illegible]. The entry should give name and address of such relative. If no such relative, home, give name and address of friend.

Column 13. *Final destination.*—The answer to this question will show the intended future permanent residence. A temporary residence of one year shall constitute permanent residence. The entry should show accurately the place, city or town, of intended future permanent residence, whether within the United States or outside the United States.

Column 15. *Whether ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should show correctly for individual or family the exact amount of money shown. Money brought by one member of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so when.*—The entries should show whether or not Yes or No in the United States before, and if so the year or years, not closer than periods of 1894–1899, Philadelphia.

Column 19. *Whether going to join relatives or friends, and if so what one, and their name and address.*—The answer should show whether going to join other relatives or friends, and if so, which relatives, friends, with name and complete address.

Columns 20 to 38.—These questions are self-explanatory and the answers, like all others in the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 2, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M, male, or F, female.

Column 6. *Married or single.* — The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the desired distinction on the manifests, and corrections should be made by the examining officers during the personal examination of alien arrivals.

Column 8. *Race or people.* — This column is subdivided and contains the following questions:

(1) *What language can you read?* — In answering this question it will be sufficient if examination be passed upon what record is made. In alien is unable to read and claims to be literate or claims the ability to read, he should be so stated. If alien is unable to read and claims no knowledge of reading or writing, the word "no" should be entered.

(2) *Race or people.* — Question 2 should be considered to mean the country of which alien is a subject or citizen.

Certain of the races or peoples should be further distinguished, as follows:

Hebrew, Polish, Russian, Scandinavian, Spanish, etc., should be entered on back of the sheet. The entry should not be "Hebrew" or "Jew" or "Semitic," but should be the language, nationality, or people of which the alien is a member.

Negro, black, or of color should be entered as the case may be, but not as "African," which is a country and not a race.

Chinese, Japanese, East Indian, Turkish, Armenian, Syrian, Arabian, Egyptian, Spanish-American, Mexican, Canadian-French, Canadian, Cuban, West Indian, Scotch, English, Irish, German, or Hebrew alien is a member of a race or people classed upon the basis of country. An Irish, German, or Hebrew alien belongs to the race or people of his own country, and not to that of the country from which he last departed, even though he may have resided in such country many years. The following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people by race or birth.

WEST INDIAN.

"West Indian" refers to the people of the West Indies by race or birth, not to citizens of Colonies or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other lands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*) — Actual or an intended residence with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, and not merely country of temporary residence; country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who temporarily in a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country of last permanent residence.* — The entry should give name and address of such relative. If no such relative is known, give name and address of friend.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence within the United States; country if outside the United States.

Column 15. *Whether having a ticket to such final destination.* — The answer should be either Yes or No, Ticket or No ticket.

Column 16. *By whom was passage paid.* — The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.* — The answer should cover each person's case individually. Where the amount of money is shown by the head of a family, should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The entry should show whether or not Yes or No, in the United States before, and if so, the year or period of years and places, as, 1901–1907, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.* — The answer should show whether going to join father, relative, or friend and if so, what relative or friend, with name and complete address.

Columns 20 to 34. — These questions are self explanatory and the answers likewise. All entries on the sheet are subject to revision by inspection officers on the examination of the alien. However, no answer to question 2, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply by admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, W. C. Brownell, Surgeon of the Manchuria, sailing Thursday, do (State whether Surgeon sailing thereon or employed by ... and the vessel by which)
solemnly, sincerely, and truly declare that I have had 33 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of D. of Iowa
Jefferson Med. College Phila., and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

Note.—If any alien is unable to read, the Surgeon will examine him as to his mental and physical condition, but will not require him to read the test ordered by section 8 of the immigration act of February 20, 1907.
If any alien appears to be afflicted with any mental or physical defect, certified by the examining surgeon to be of a nature to affect the ability of such alien to earn a living, such fact should be noted at the port of departure before the alien is permitted to embark for the United States.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. [illegible] (Name whether Master, First or Second Officer) *of the [illegible] S. S. [illegible]*, *from [illegible]*, *do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2, *Head tax status*.—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4, *Age*.—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5, *Sex*.—This entry should be either M, male, or F, female.

Column 6, *Married or single*.—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7, *Calling or occupation*.—The entry should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineers, laborers, engineer, mining engineer, brass polisher, steel polisher, mold molder, wood turner, etc., and not simply, mechanic, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of alien arrivals.

Columns 8, *Race or people*, *and 9, Nationality*.—This column is subdivided and contains the following question: "And what language?" "If exemption is claimed upon what ground?" In answering this question no abbreviations or symbols should be used. If an alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9, *Nationality*.—Question 9 should be construed to mean the country of which alien is a subject.

Column 10, *Last permanent residence*.—See list of races printed on back of this sheet. The entry should show the people represented and the country.

Distinction should be made between race and the country of which a person is a subject. The permanent residence and country of birth and manifests should be carefully scrutinized by inspectors and deputy clerks in this regard. For instance, France, appearing under the head of country does not mean French, be race or people, and similarly, French, appearing under the head of race or people does not mean France, by country. An Irish, German, or Hebrew alien may have resided for some years in England, Switzerland, or any other country. In this case the last country of residence should be especially observed.

CUBAN.

The term Cuban refers to the Cuban people and Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

NEGRO (AFRICAN BLACK).

African (Black) refers to the Negro, whether native born or naturalized, of the West Indies, South or South America, Europe, or Africa. No alien of a race other than the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in the three Italian compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (North). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po in the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian (South).

Column 11, *Last permanent residence*.—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of how short a time he may have been there. The compilation should show the country and city or town of last permanent residence. It is not sufficient for statistical purposes that steamship companies merely show countries. Last permanent residence indicates country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are in the habit of visiting the United States and are returning from a visit abroad should be recorded as United States.

Column 12, *Name and complete address of nearest relative or friend in country whence alien came*.—The entry should give name and address of such relative. It is not sufficient to state merely the name of friend.

Column 13, *Intended future residence*.—The answer to this question will show whether intended permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show merely the place, county or town, of intended future permanent residence, whether in the United States, country, or outside the United States.

Column 15, *Whether [illegible] ever before in the United States, and if so, when and where*.—The answer should be Yes or No, or Yes or No and when and where.

Column 16, *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address*.—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by inspectors always in the examination at depots. However, in connection with question 23, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, L. C. Brennan, Surgeon of the Manchuria, sailing therefrom, do
(State whether Surgeon, assistant Surgeon, or employed by contract to attend as the case may be.)
solemnly, sincerely, and truly swear that I have had —33— years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Diploma
Jefferson Med. College, Phila, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

L C Brennan.

Sworn to before me this day of , 19

(Signature of officer administering oath and official character of such officer.)

NOTE.—If any alien appears to be afflicted with a mental or physical defect of such a character as to be likely to affect his ability to earn a living, or if any alien is over sixty years of age, the affidavit of examination shall be executed before an immigration officer at the port of arrival and not elsewhere. If any alien is in the class exempted from examination by the medical officer at the port of arrival, the affidavit of examination shall be executed before the alien's sailing.
If any alien sails from a foreign port in the vessel, the affidavit of examination shall be executed at the port of departure before some officer authorized to administer oaths.

146

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, lace polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8. *Nationality and race.* — This column is subdivided and contains the following question: Read what language and if exemption is claimed, upon what ground? An answer to this question (the language declared the alien is able to read should be stated). If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people as given thereon.

Special attention should be given to the distinction between race and the country of which the citizen or subject; country of last permanent residence; and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come in for close questioning if England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native to Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.* — The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.* — The answer should be given in each case individual or family (the exact amount of money shown). Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States; and if so, when and where.* — The entries should show whether or not (Yes or No) in the United States before, and if so, the year, or period of years, and place, as, 1894, 1897, Philadelphia.

Column 19. *Whether going to join relative or friend; and if so, what relative or friend.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 43. — These questions are self explanatory, and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Column 4. *Sex.* The entry should be either M, male, or F, female.

Column 5. *Married or single.* The answer should be M, married, S, single, W, widowed, or D, divorced.

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, statesman, engineer, laborer, tailor, merchant, lawyer, physician, mechanic, compositor, clerk, bookkeeper, wood turner, etc., and not indefinite designations.

Aliens over 14 years of age should be made between farmers and farm laborers, regardless of the amount of money they may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A farm laborer, rather than a farmer, should be entered on the manifests, and care to this should be taken.

Steamship companies should make this distinction in the personal examination of aliens and also by inspector and reentry clerks during the personal examination of aliens and also [illegible]

Column 7. *Land of nationality.* This column should be headed and contain the following question: Race or people. The answer should be stated. If alien is unable to read and claims exemption, the fact should be noted upon what ground.

Every alien has been in the habit of describing himself as belonging to a certain race or people, and not to the country of which he is a subject. Question 7 should be construed to mean the country of which alien is a citizen or subject.

Column 8. *Last residence.* Name of country should be reported on back of the sheet. The entry should be the country of which the alien last became a resident, as distinguished from the country of birth, and manifests should be carefully examined to see that the last permanent residence and country of birth are stated. For instance, France appears under the head of country of birth, but the alien may have been a resident of Germany for many years. Many Irish, Germans, or Hebrews appear under the head of country of birth as natives of England, Scotland, or Russia, when in fact they have been residents of the United States for many years. In the case of Irish, Germans, or Hebrews, the entry should be made in connection with the following instructions, which should be observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, namely, those in the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether they were born in Italy, Austria-Hungary, or any other country, should be classed as North Italians. They usually speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, namely, those of the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi, Campagna, Molise, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as South Italians.

Column 11. *Last permanent residence.* Actual place of permanent residence. The last country in which alien resided where he had a permanent residence regardless of length of time. If alien has been in the United States or in transit through the United States to his permanent residence in the United States, he shall be the last

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 *Ho. best writes.* Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 *Age.* The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 *Sex.* The entry should be either M (male) or F (female).

Column 6 *Married or single.* The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien aged 14 and over, for example, clerk, stationary engineer, lawyer, tailor, or tailoress, dressmaker, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, laboring engineer, engineer, or other indefinite designations.

Aliens engaged in the various mechanical trades should be carefully distinguished, for example, machinist, polisher, molder, turner, or other definite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspectors and head taxes collected among the personal examination of alien arrivals.

Column 8 *Able to read and write.* [This column is subdivided and contains the following questions:

Can read. Can write. Can both read and write.] In answering this question, "Can read" should be answered "Yes" only when the alien can read his own language. Read what he says he can read, if examination is claimed, upon what ground]. In answering this question, "Can write" should be answered "Yes" only when the alien can write a legible hand. Read what he says he can write, if examination is claimed, upon what ground] In answering this question, "Can both read and write" should be answered "Yes" only when the alien can both read and write a legible hand. Read what he says he can read and write, if examination is claimed, upon what ground] In answering this question, the record of the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention is called to the distinction between race and the country of which a citizen or subject, country where last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and head taxes clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien is a race which properly come under the heading of England, Switzerland, or any other country. In this connection the following discussions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who is living in the United States, or any of the West Indies, North or South America. For the African native, living in Africa. Any alien who is of mixed African and other blood should be classified under this heading.

The people who are native to the basin of the River Po in northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11, *Last permanent residence.* Actual or an intended residence of one year shall constitute permanent residence. The last country in which he has resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The purpose of this column is to show the country and city or town of last permanent residence. It should show the country and city or town of last permanent residence independent of country of temporary residence. Italian companies accurately show country of last permanent residence for statistical purposes that steam ship companies accurately show country of both nationality, or race, or race independent of country of temporary residence. country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return from a visit abroad should be recorded "United States." The

Column 12, *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and address of such relative. If no such relative or friend, give name and address

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M, male, or F, female.

Column 6 (*Married or single*). The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, farmer, laborer, tailor, clothier, steel polisher, iron molder, wood turner, etc., and not simply mechanic, engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money known, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspection and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following question: Read what language, if exemption is claimed, upon what ground stated. If able to read and claims the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should be one of the races or peoples as given in said list.

Special attention should be paid to the distinction between race and the country of which alien is subject, country of last permanent residence, and country of birth, and manifests should be corrected, if revised by inspection and registry clerks in this regard. For instance, "France" appearing under the head of country of last permanent residence is not sufficient if "French" appears under the head of race or people, does not mean "France" by country. An Irish, German, or Hebrew race might properly come under the heading of England, Switzerland, or any other country. In this connection the following observations should be especially observed:

CUBAN, N. O. S.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN BLACK.

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (South)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence. Question 11 should show the country and city or town of last permanent residence, and in no case should "America" be written. It is the purpose of the general purposes that steamship companies accurately show countries of last permanent residence, under no circumstances that steamship companies accurately show countries of last permanent residence, under no circumstances that steamship companies accurately show countries of last permanent residence, under no circumstances

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.*—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation (trade or profession) of each person arrived, as for example: Civil engineer, stationary engineer, machinist, moulder, tailor, carpenter, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money known, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correspondents should be made acquainted with the importance attached to the proper entry of this question. Care must be taken to avoid the entry of "laborer" in answer to this question.

Columns 8 and 9. *Read and write.*—This column is subdivided and contains the following question: "Can read" "Can write" "Can read and write." In answering this question the word "can" has reference to the ability of the alien as to read and write, and claims for exemption so claimed upon what grounds. If the alien is unable to read and claims the benefits accorded the alien able to read, he should be rejected.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should be the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which the person is a subject, citizen, or permanent resident, and country of birth, and manifests should be carefully revised by masters, owners, agents, and clerks in this regard. For instance, a Hebrew appearing under the head of country, citizen, or people of France, Germany, or Italy is a Hebrew by race or people, and, similarly, a Negro appearing under the head of country, citizen, or people of France, Germany, or Italy is a Negro by race or people, and, similarly, a Chinese, Japanese, or Hindu appearing under the head of country, citizen, or people of England, Switzerland, or any other country is to be by race or people. In connection the following should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish origin.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has emigrated to or who is native of the West Indies, North or South America, Europe, or Asia. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining are very material. He should not be the last permanent residence regardless of how short a time he may have resided there. If he came to or must be the last permanent residence regardless of how short a time he may have resided there. If he came to or must be the last permanent residence. It is not the latter intention. He should show the country and city or town of last permanent residence. It is not the latter intention. He should show the country and city or town of last permanent residence. It is not the latter intention. He should show the country and city or town of

If a surgeon records with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2: *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4: *Age.*—The answer in the column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5: *Sex.*—The entry should be either M (male) or F (female).

Column 6: *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7: *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each person arrived, as for example: Civil engineer, stationary engineer, lawyer, merchant, painter, carpenter, tailor, seamstress, dressmaker, milliner, mason, bricklayer, mason and bricklayer, miner, engineer, fireman, machinist, blacksmith, moulder, wood turner, etc., and not simply laborer, servant, polisher, molder, tailor, or other indefinite designations.

A child or person should be made between farm reared farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made [illegible] by inspectors and records of clerks during the personal examination of alien arrivals.

Column 8: *Able to read and write.*—This column is subdivided and contains the following question: Read or can read? An exemption or claim of exemption to be noted upon what grounds? In answering this question the language or dialect the alien is able to read should be stated. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9: *Nationality.*—Question 9 should be construed to mean the country of which the alien is a native or citizen.

Column 10: *Race or people.*—See list of races printed on back of this sheet. The term "head" has been used for "people" in error.

Special attention should be paid to the distinction between race and the country of which the citizen or subject, country of last permanent residence, and country of birth and manhood should be carefully revised by inspectors in charge of clerks in the record. For instance, France appearing under the head of country, does not mean French by race or people, and, similarly, "French" appearing under the head of race or people does not mean a French by country. An Irish, German, or Hebrew alien [illegible] must be prepared to answer under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 11: *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12: *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13: *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States country, if outside the United States.

Column 15: *Whether having a ticket to be to such final destination.*—The answer should be either Yes (ticked) or No (not ticked).

Column 16: *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17: *Whether in possession of $ 50, and if less, how much.*—The answer [illegible] each separately and for each individual or family the exact amount of money shown. Money [illegible] by the head of a family should not be lumped [illegible] among the several members of the family.

Column 18: *Whether ever before in the United States, and if so, when and where.*—The entry should show whether or not Yes or No in the United States before, and if the answer is yes, state when and where, as 1891–1895, Philadelphia.

Column 19: *Whether going to join relative or friend, and if so, what relative or friend, with name and complete address.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 33.—These questions are self-explanatory and the answer, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering the question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, L. C. Brennan, Surgeon of the Manchuria, sailing therewith, do
(State whether Surgeon sailing therewith or employed by
solemnly, sincerely, and truly swear that I have had —33— years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Diploma
Jefferson Med. College, Phila, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

L. C. Brennan,

Sworn to before me this day of , 19

Note.—If a vessel sails with the second class passengers or with cabin passengers destined to foreign countries, the surgeon must make the examination of such passengers at the time specified for the sailing of the vessel.
If the vessel sails with the second cabin passengers destined to the United States, the examination of such passengers may be made at the port of departure before some other authorized officer administers oaths.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Whether a passenger* ... steamship line should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* ... The answer to this column should be expressed in years for months. Infants ... applies thereto, to those under 1 year of age.

The entry should describe, as accurately as possible, the occupation, trade, or profession of each alien named, as for example, "clerk in store," "steel polisher," "machine designer," "engineer," "laborer," "servant," "tailor," or "no occupation," etc., and not merely "laborer," "engineer," "mechanic," or other indefinite designation.

Aliens may be classed as laborers only when they perform work of a character which is generally recognized as requiring no particular skill, training, or experience. Persons born in Canada, Great Britain, Ireland, Germany, and other countries frequently emigrate to the United States and become naturalized before coming to the United States for permanent residence. Such persons should be returned as citizens of the country to which they owe allegiance, not as citizens of the country in which they were born. Care should be taken to distinguish between the terms "Scotch," "English," "Welsh," and "British," which refer to persons born in Scotland, England, Wales, and Great Britain, respectively, and the term "Irish," which refers to persons born in Ireland. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* — The answer in this column should be expressed in years for persons of all ages. The last birthday applying only to those under 1 year of age.

Column 4. *Sex.* — The entry should be either M. (male) or F. (female).

Column 5. *Married or single.* — The answer should be M. (married), S. (single), Wd. (widowed), or Div. (divorced).

Column 6. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Coal engineer, stationary engineer, laborer, farmer, tailor, tailoress, seamstress, dressmaker, servant, clerk, etc. Entries such as "Laborer," "Farmer," "Merchant," "Manufacturer," "Engineer," "Clerk," "Tailor," "Dressmaker," "Servant," "Seamstress," "Housekeeper," "Housework," "Gentleman," "Lady," "Student," "Scholar," "Boy," "Girl," "Child," "Infant," "Baby," "Nothing," "None," "Unknown," or "Unk." are unsatisfactory and will be questioned. Persons of no occupation should be stated as "Housework" if females and as "None" if males. Persons under 16 years of age, if children of parents emigrating, may be entered as "Child" or "Children," as the case may be, without further description. Persons of no occupation, other than children, should be stated as "None." Persons of no occupation, other than children, who are emigrating to join relatives already in the United States should be stated as "To join relatives."

Column 7. *Nationality.* — Questions 6 and 7 should be construed to mean the country of which the alien is a citizen or subject.

Column 8. *Race or people.* — See list of races or peoples on back of this sheet. The entry entered should be race or people and not nationality.

Special attention should be paid to the distinction between the country of which the alien is a citizen or subject, country of last permanent residence, and country to which the alien belongs. The answers required by inspectors and reentry forms in this regard are as follows: If a Japanese, Hebrew, Armenian, or Syrian, head to column 8 does not mean. French," "Irish," "Scotch," "English," "German," or "Russian," but the head of answer be specified as to race. Under no heading or subhead should the entry be "American," in any case merely properly. The instructions should be especially observed in connection the following:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than citing Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

"African (black)" refers to the African Negro, which, for purposes of Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia and Emilia, and their descendants, whether residents in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 9. *Last permanent residence.* — Under an intended residence of one year shall constitute permanent residence. The last entries in which Italian resided with the intention of remaining one year or more constitute last permanent residence. It is important for the purpose of the last permanent residence regardless of whether or not the alien has resided in the United States, and city or town of last permanent residence. It is important for the purpose of ascertaining the number and city or town of last permanent residence. If an alien has resided in the country of last permanent residence for less than one year, the entry should be that country. If an alien has resided in the country of last permanent residence for more than one year, the entry should be that country. If an alien has resided in the country of last permanent residence for more than one year, the entry should be that country.

Column 10. *Final destination.* — The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the place, if known, if intended future permanent residence is within the United States, or the country if outside the United States.

Column 11. *Whether ticketed to final destination.* — The answer should be either Yes (ticketed) or No (not ticketed).

Column 12. *Whether in possession of $50 and, if less, how much.* — The answer should be given in each case and the amount of money shown. Money brought by the head of a family should be stated in the case of the head of the family.

Column 13. *Whether going to join a relative and, if so, what relative and where.* — The entries should be detailed as to the married members of the family.

Column 14. *Whether ever before in the United States and, if so, when and where.* — The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as 1907, Philadelphia.

Column 15. *Whether going to any relative or friend, and if so, what relative or friend and address.* — The answer should show whether or not the alien is going to join either a relative or friend, and if so, what relative or friend, with name and address.

Columns 16 to 33. — These questions are self-explanatory and the answers like all others on the sheet, are subject to inquiry by inspection officers in the examination of aliens. However, in answering question 27, if an alien has been deported within one year, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The age at the last birthday should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: carpenter, shoemaker, engineer, housekeeper, clerk, compositor, blacksmith, cook, waiter, servant, painter, tailor, weaver, baker, mason, laborer, farmer, or other definite designation.

A laborer should not be returned as a farmer, and farm laborers, regardless of the amount of property they may own, as laborers.

A laborer is one who performs manual labor, and is not to be classified as a farmer.

A farmer is one who owns or operates a farm, or who has the management of a farm which he conducts for himself as the principal source of support.

Persons formerly engaged in any occupation, but not actually employed at the time of sailing, should be returned according to their former occupation, if they intend to follow the same upon arrival, unless they state definitely that they intend to change their occupation, in which case the new occupation should be entered.

Persons of no occupation, such as children, should be returned as such.

Column 8. *Nationality.*—The nationality should be expressed to mean the country in which each alien was a native or citizen or subject.

Column 9. *Last permanent residence.*—See instructions printed on back of this sheet. The entry should show the country of last permanent residence.

Special attention should be paid to the distinction between race and nationality. The races or peoples of Europe include, in general, the following: Anglo-Saxon, Bohemian, Bulgarian, Celtic, Croatian, Dalmatian, Dutch, English, Finnish, French, German, Greek, Hebrew, Irish, Italian (North), Italian (South), Lithuanian, Magyar, Polish, Portuguese, Roumanian, Russian, Ruthenian, Scandinavian, Scotch, Servian, Slovak, Slovenian, Spanish, Spanish American, Turkish, Welsh, West Indian (except Cuban), and other natives of the Western Hemisphere (except Chinese, Japanese, and Negroes), Chinese, Japanese, Negroes, Hindus, Syrians, Armenians, Arabs, Turks, Africans (black), Australians, New Zealanders, Tasmanians, Polynesians, Filipinos, Indians, Mexicans, Koreans, Siamese, Malays, Burmans, Cingalese, Afghans, Persians, Abyssinians, Basques, Moors, Berbers, Kabyles, Egyptians, Liberians, Madagascans, Hawaiians, Samoans, Tongans, Fijians, Maoris, Pacific Islanders, Patagonians, Fuegians, Aztecs, Mayas, Quichuas, Guaranis, Araucanians, Chaymas, Caribs, Arawaks, Botocudos, Uncertain, Stateless, and Other peoples (specifying them).

CUBAN.

The term "Cuban" refers to the native people, but not Negroes.

WEST INDIAN.

"West Indian" refers to the natives of the West Indies, other than native Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

"African, black" refers to the American Negro, who therefore is not an African native, but a native of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the American Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, Umbria, the Marches, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and the insular dependencies should be classed as "Italian, south."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year permanent residence. The last permanent residence regardless of length of actual residence there in. There should be the last permanent residence regardless of length of actual residence there in. There should also be shown the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies record, show country of last permanent residence (not temporary residence) country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and ... [illegible] ... in transit through Canada or Mexico en route to the United States. The ... [illegible] ... should be returned as "United States."

Column 12. *Name and complete address of nearest relative.*—If ... [illegible] ... should give name and address of such relative. If ... [illegible] ... the name and address of the nearest friend.

Column 13. *Final destination.*—The answer to this question should show the ... [illegible] ... residence. An alien held to have resided one year shall constitute permanent residence. ... [illegible] ... should be shown the State, city or town of intended future residence. ... [illegible] ... State, country, if outside the United States.

Column 14. *Whether ticket was prepaid by.*—The answer should be ... [illegible] ... "None" or "No."

Column 15. *Whether in possession of $50 and if less than $50 how much.*—The entry should show whether each alien has in his possession at the time of landing $50 or more, and if less than $50 the exact amount. Money ... [illegible] ... not be divided among the several members of the family.

Column 16. *Whether ever before in the United States and if so when and where.*—The entry should show whether each alien has been previously in the United States, and if so, when and where. Answers ... [illegible] ... places, e. g., "1891, New York," "1895, Philadelphia."

Column 17. *Whether going to join relative or friend, and if so, what relative or friend and complete address.*—The answer should show whether each alien has gone to join either a relative or friend, and if so, the name and complete address.

Columns 20 to 33.—These questions are self-explanatory and ... [illegible] ... on the sheet, are subject to inquiry by inspection officers at the examination. ... [illegible] ... However, in response to question 2, if alien has been deported within one year and is ... [illegible] ... to reapply for admission, the authority for such reapplication should be ...

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 - *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 - *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 - *Sex.* — The entry should be either M male or F female.

Column 6 - *Married or single.* — The answer should be M married, S single, W widowed, or D divorced.

Column 7 - *Calling or occupation.* — The entry should describe, as accurately as possible, the occupation, trade, or profession of each alien, as for example: Clerk, engineer, mechanic, or laborer; if a mechanic, whether engineer, machinist, brass finisher, steel polisher, pocketbook maker, wood carver, etc.; and not simply as a mechanic. Children, or other persons, of no occupation, should be so stated.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer owns, hires, or operates a farm, either for himself or for others.

A farm laborer works on a farm for the man who operates it.

Steamship companies should make these facts known to the masters, and extra compensation should be made necessary, by inspectors and others, delegated during the personal examination of aliens to ascertain.

Column 8 - *Literacy and race.* — This column is divided and contains the following questions:

Read and write (language). — If an immigrant is examined upon what is read by him, the question should be language in which the alien reads, even though he can not read. It is not possible to read Chinese characters from the phonetic requirement, the record is to be entered "can not read."

Columns 9 to 14, inclusive. — Question 9 should be construed to mean the country of which the citizen or subject

Column 10 - *Race or people.* — See list of races printed on back of the sheet. The race or people to which an alien belongs should be determined by birth and parentage, and not by nationality.

Special attention should be paid to the distinction between race and place of birth or nationality. The subject country of the prominent nationalities and country of birth and nationality of the races are printed for inspectors and steamship clerks in this regard. The immigrant himself should be questioned by inspectors and steamship clerks on this point. The immigrant himself is the best authority as to his race or people, and standards of color, birth, or nationality are not to be considered. Even if a person is born of parents of different races, that person belongs to the race of the father, because the child follows the father's people. Further, for example, a Scotch woman who marries a Turk becomes a Turk, and her children belong to the Turkish race. A native of Wales, Ireland, or Scotland is a Welshman, Irishman, or Scotchman, and not an Englishman, unless he has become naturalized, or acquired an English domicile. In the case of a native of Canada, the race must be properly determined by the application of the principles above stated. Persons coming from the following countries should be especially observed:

CUBA.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIES.

"West Indian" refers to the people of the West Indies, other than Cubans or Negroes.

SOUTH AMERICA.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICA—BLACK.

"African (Black)" refers to the African Negro who has not come to Cuba or other islands of the West Indies North or South America Direct from Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

EUROPEAN NORTH.

The people who live in Europe north of the Baltic Provinces of Russia, Finland, Norway, Sweden, and Denmark are classified as North European. Austria-Hungary, Germany, other countries of Europe, and Asiatic Russia are classified as South European. The Irish people speak a Gaelic dialect. The Welsh people speak a Celtic dialect. The Basques live in Spain.

EUROPEAN SOUTH.

The people who live in Europe south of the Baltic Provinces of Russia, Finland, the Mediterranean, Austria-Hungary, Germany, Switzerland, Belgium, Holland, Great Britain, Ireland, and Scandinavia and Denmark are classified as South European. Asiatic Russia is classified as Asiatic. Persons coming from Asia Minor, Syria, Arabia, Armenia, Persia, Afghanistan, Beluchistan, Turkestan, Palestine, Egypt, Arabian Desert, Barbary States, Morocco, Algeria, Tripoli, Tunis, Cyprus, Malta, Gibraltar, Azores, Madeira Islands, Canary Islands, Cape Verde Islands, Azore Islands, Independent Kingdom of Kongo, Upper Guinea, Lower Guinea, Independent Kingdom of Kongo, Loanda, Benguela, Mozambique, Portuguese East Africa, Cape Colony, Natal, Orange River Colony, Transvaal, Republic of Liberia, Abyssinia, Turkish Dominions in Africa, Zanzibar, Madagascar, Somaliland, Portuguese Guinea, Senegambia, Sierra Leone, Liberia, Ivory Coast, Gold Coast, Lagos, Niger Territories, Kamerun, Portuguese West

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. ZADER, Master, *of the* S.S. MANCHURIA *, from* Vigo, Spain *, do solemnly, sincerely, and truly* declare *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 29- *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M, male, or F, female.

Column 6. *Married or single.* — The answer should be M, married; S, single; W, widowed; or D, divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, on arrival, as, for example, "coal miner," "engineer," "mechanic," "farmer," "clerk," "servant," "laborer," "tailor," "tailoress," "dressmaker," "milliner," "stone mason," "painter," "shoemaker," "baker," "butcher," "blacksmith," "carpenter," "cabinetmaker," "machinist," "glass polisher," "steel polisher," "iron molder," "wood turner," etc., and not simply "engineer," "mechanic," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of funds shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspectors and registry clerks during the personal examination of aliens applying for admission.

Column 8. *Nationality.* — This column should be headed and contain the following question: "Read what language (or if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien can read should be stated. If the alien is unable to read any language, the fact should be stated. In the absence of any statement to the contrary, the answer to this question will be presumed to be "English."

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which an alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of the sheet. The entry should be the race or people, not even in small part.

Special attention should be paid to the distinction between race and the country of which the alien is a citizen or subject. Natives of any part of Ireland should be returned as Irish, and natives of any part of Scotland should be returned as Scotch, by inspectors and registry clerks in the interest of uniformity. For instance, "France" apparently stands at the head of races, does not mean "French," but "Celtic." Germany or Holland should not be returned as the race, people, or nationality of persons who are natives of those countries, but if Hebrew, should be returned as Hebrew or Jewish, as the case may be. Natives of Ireland, Scotland, or any other country should not be returned as Celtic. In connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa or other land, of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the Tuscan-Papal Provinces, comprising Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence. Persons returning to countries of which they are citizens or subjects, after visiting the United States, should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of nationality, country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States, and who come in transit from abroad, should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in the country whence alien came.* — The answer should give the name and address of such relative. It must be such relative as actually resides in the country whence the alien came, and not merely the place of birth or home of such relative, if he resides elsewhere.

Column 13. *Final destination.* — The answer to this question shall show the city or town of intended future permanent residence. A mere intention to reside for one year shall constitute permanent residence. Any alien who intends to remain in the United States only temporarily, or who intends to go to Canada, Mexico, or Cuba, should not be returned as destined to the United States.

Column 14. *Whether having a ticket to such destination.* — The answer should be "Yes" or "No."

Column 15. *By whom was passage paid.* — The entry should show, as far as practicable, whether the passage was paid by the alien himself, by relatives, friends, steamship companies, etc.

Column 16. *Whether in possession of $50, and if less how much.* — The answer should be "Yes" or "No," as the case may be. The amount of money shown should be the actual amount in the possession of the alien. Money brought by the alien's wife or minor children should be included in the amount shown as the property of the head of the family.

Column 17. *Whether ever in the United States, and if so when and where.* — The answer should show whether the alien has been in the United States before, and if so, the approximate date and place of last visit. Philadelphia.

Column 18. *Whether going to join relative or friend, and if so, what relative or friend and complete address.* — The answer should show whether the alien is going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. — These questions are self-explanatory and the answers should be left blank, as they are subject to be corrected by inspection officers in the examination of aliens. However, in answering question 27, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, W. C. Brennan, Surgeon of the Manchuria, Sailing thereinto, do
(State whether "sailing therewith" or "employed by ... thereof" as the case may be)
solemnly, sincerely, and truly swear that I have had — 33 — years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Diploma
Jefferson Med. College, Philada, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ... in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

W. C. Brennan,
Surgeon.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as precisely as possible the occupation, trade, or profession of each alien, as, for example, clerk, farmer, shoemaker, tailor, cabinetmaker, mason, engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as laborer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farm laborers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: "Read what language or dialect the alien is able to read?" In answering this question the language or dialect the alien is able to read should be stated. If he is unable to read and claims exemption from the reading requirement, the entry should be "Exempt," as provided by law.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in that regard. For instance, "France" appearing under the head of country does not mean "French," because of people and similarly, "French" appearing under the head of race or people does not mean "France" as country. An Irish, German, or Hebrew alien of any race might properly come under the headings of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place in city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16. (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. (*Whether in possession of $50, and if less, how much.*)—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. (*Whether ever before in the United States, and if so, when and where.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891-1895, Philadelphia.

Column 19. (*Whether going to join relatives or friends, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to reception by inspection officers in the examination of alien. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

RACE.

The term "Caucasian" refers to the white people of European descent.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than native Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

"African (blacks)" refers to the African Negro, whether resident in the Republic of Haiti, the British West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro shall be classified under this heading.

ITALIAN, North.

[illegible] of the River Po in northern Italy in the compartments of [illegible] and their descendants, whether residing in Italy, Switzerland, [illegible] should be classed as "Italian, North." Most of these people speak a dialect differing in many respects from the literary language.

ITALIAN, South.

[illegible] south of the basin of the River Po in the compartments of Liguria, Tuscany, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and the islands of Sicily and Sardinia. Persons from these districts should be classed as "Italian, South."

A legal or an intended residence of one year shall constitute permanent residence within the meaning of the law, which is needed with the intention of remaining one year or more. Temporary visits abroad by persons having a permanent residence in the United States shall not be regarded as breaking the continuity of such residence, unless it appears that the person making such visit has changed his permanent place of abode. It is important for the information of the immigrant inspectors that each alien should state whether he intends to become a permanent resident of the United States and whether he has been a resident of the United States before coming to this port, and if so, how long he resided in the United States.

Nearest relative or friend in country whence alien came. The answer should be the name of the nearest relative living or last known to the immigrant before coming to the United States. It need not be a relative living in the country last inhabited by the immigrant, but may be the nearest relative living in any country.

Intending permanent residence in the United States. The answer should show the intended future permanent residence of the alien. Persons coming to the United States for a visit only, or for a limited time, should not be regarded as coming to the United States with intended future permanent residence if within the United States they change their intention and remain permanently.

Whether ever before in the United States. The answer should be either Yes or No.

Ever in prison or almshouse. The entry should show definitely by whom person was supported, whether by himself, by friends, by charitable institutions, by the city, county, or State, and the name of the institution or locality.

The answer should be the name of the relative or friend, with complete address, to whom the immigrant is going, such as John Smith, 1482 Main Street, Cincinnati, Ohio. Mere general destinations, such as "New York" or "Chicago," are not sufficient. Money brought by the head of a family should be considered in connection with the statement of the amount of money the family has.

Ever in the United States before; when and where. The answer should show whether the alien has been in the United States before, and if so, the year or period of years and place, as "1903, Philadelphia."

Whether has a ticket through to final destination. The answer should be "Yes" or "No," as the case may be.

Whether coming under contract or assisted. The answer should be "Yes" or "No," as the case may be. If the alien is coming under a contract, or if his passage is being paid for by another person, or by a society, corporation, or municipality, the answer should be "Yes." If he has sufficient money to pay his own way, or is coming to join relatives or friends who have sent him money for the journey, the answer should be "No."

Whether in possession of $50 and if not, how much less. The answer should be "Yes" or "No," as the case may be. If the alien has less than $50, the exact amount possessed should be given.

Whether a person who has been deported. The answer should be "Yes" or "No," as the case may be.

Whether a polygamist. The answer should be "Yes" or "No," as the case may be.

Whether an anarchist. The answer should be "Yes" or "No," as the case may be.

Whether coming to perform labor if so, what kind and for how much by the day, week, month, or year. The answer should be "Yes" or "No," as the case may be. If the answer is "Yes," the amount to be paid and the time for which employment is promised should be stated.

Whether ever before in the United States, when and where. The answer should show whether the alien has been in the United States before, and if so, the year or period of years and place, as "1901, Philadelphia."

Whether a person who has been deported. The answer should be "Yes" or "No," as the case may be.

Whether a polygamist. The answer should be "Yes" or "No," as the case may be.

Whether an anarchist. The answer should be "Yes" or "No," as the case may be.

Whether coming to perform labor if so, what kind and for how much by the day, week, month, or year. The answer should be "Yes" or "No," as the case may be. If the answer is "Yes," the amount to be paid and the time for which employment is promised should be stated.

I, [illegible] [illegible], of the [illegible], from [illegible], do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for the use of Government officials only.

Column 3. *Age.*—The ages given in this column should be expressed in years, or, if under 1 year, in months, the latter to be followed by the abbreviation "mos."

Column 4. *Sex.*—The entry should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, if any, of each alien. Such terms as "laborer," "farmer," "clerk," "servant," "student," "wife," "child," "none," etc., are indefinite and unsatisfactory. Where a person has been employed at a trade, the name of the trade should be given, as for example: Cabinetmaker, stationary engineer, bricklayer, plasterer, tailor, dressmaker, milliner, engraver, brass polisher, sheet polisher, moon moulder, wood turner, etc., and not merely "mechanic," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works for the farmer or the farm proprietor.

Attention is directed to the necessity for entering on the manifests and corrections should be made in accordance with this requirement. Careful inquiry should be made of each alien, during the personal examination of alien arrivals.

Column 8. *Nearest relative or friend in country whence alien came.*—This column must be carefully filled and contains the following questions: "Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address?" In answering this question the name of a relative or friend should be given. If alien is unable to read and claims to have no relative or friend in the United States, the name and address of some friend in the country whence he came should be given.

Column 9. *Final destination.*—The question to be considered in connection with this column is the intended future permanent residence of the alien, and not the place to which he is destined for a temporary visit. The name of the city, town, or village should be given. Do not write "New York" for all destinations in the State of New York, nor "Pennsylvania" for all destinations in that State, but the particular city, town, or village in each case.

Column 11. *Last residence.* — The entry should show definitely by whom passage was paid, as "Self," "Husband," "Father," "Mother," "Friend," "Steamship company," etc.

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.* — The answer should show whether the alien is going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 13 to 20, inclusive. *Final destination.* — The question in each of these columns is explained in the column caption itself. The answer should be given in accordance with the explanation.

Column 21. *Whether in possession of $50 and how much.* — The answer should give in each case the exact amount of money shown. Money brought by the head of a family should be declared as his own, and not as that of the family.

Column 22. *Whether ever before in the United States, and if so, when and where.* — The entry should show whether the alien named has been in the United States before, and if so, the year or period of years and how and where last admitted, as "Yes, 1903, New York," or "No."

Column 23. *Whether going to join a husband, wife, father, mother, brother, sister, uncle, aunt, grandparent, or grandchild, and if so, what relative and where.* — The answer should show whether the alien is going to join a husband, wife, father, mother, brother, sister, uncle, aunt, grandparent, or grandchild, and if so, what relative, with name and complete address.

Columns 24 to 33, inclusive. *Explanations.* — The questions and explanations and the answers to all alike in the sheet are grouped together in the explanation at the top of the column. However, in answering question 26, all other lines of persons who have been in the United States before, and who have been absent for more than one year and for less than two years, or who have been absent for more than two years, and the Secretary of Labor has authorized them to reapply for admission, the authority for such reapplication should be given.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia and Umbria and their descendants, whether residing in Italy, Southern Switzerland, Austria, France or other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the part of the Italian Peninsula south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — A real or an intended residence of one year shall constitute permanent residence. The last country in which a person has lived with the intent of remaining one year is a permanent residence. The last country in which a person has lived for a year or more is a permanent residence. A mere visit does not constitute a permanent residence, and leased lands or houses do not constitute a permanent residence. The entries in this column should show the country and city or town of last permanent residence. It is important for the information of the United States authorities that the entry should show the country which is entirely foreign to the intended permanent residence of the alien named, and not a country through which he may have passed while en route from one place to another. Do not enter "Europe," "Asia," or other general terms, but the name of the particular country. Do not enter "United States" unless the alien named has been actually domiciled in the United States.

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.* — The answer to this question should show the intended future permanent residence of the alien named. If such intended future permanent residence is within the United States, the name of the relative or friend with whom the alien is going to live should be given, with complete address, including number of house, street, city, and State. If such intended future permanent residence is without the United States, it should be stated definitely by naming the country.

Column 13. *Whether in possession of $50 and how much.* — The answer should be either Yes or No.

Column 14. *How paid passage.* — The entry should show definitely by whom passage was paid, as "Self," "Husband," "Father," "Mother," "Friend," "Steamship company," etc.

Column 15. *Whether ever before in the United States, and if so, when and where.* — The answer should give in each case the exact amount of money shown. Money brought by the head of a family should be declared as his own, and not as that of the family.

Column 16. *Whether ever in prison or almshouse or supported by charity.* — The entry should show whether the alien named has been in the United States before, and if so, the year or period of years and how and where last admitted, as "Yes, 1903, New York," or "No."

Column 17. *Whether going to join a husband, wife, father, mother, brother, sister, uncle, aunt, grandparent, or grandchild, and if so, what relative or friend.* — The answer should show whether the alien is going to join a husband, wife, father, mother, brother, sister, uncle, aunt, grandparent, or grandchild, and if so, what relative or friend, with name and complete address.

Columns 20 to 33, inclusive. *Explanations.* — The questions and explanations and the answers to all alike in the sheet are grouped together in the explanation at the top of the column. However, in answering question 26, all other lines of persons who have been in the United States before, and who have been absent for more than one year and for less than two years, or who have been absent for more than two years, and the Secretary of Labor has authorized them to reapply for admission, the authority for such reapplication should be given.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, of pure blood.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether he comes from Cuba or other island of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Arthur Smith Master (State whether Master, First, or Second Officer), of the S/S Wacouta, from Progreso, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, lawyer, teacher, tailor, tailoress, dressmaker, milliner, clerk, bookkeeper, stenographer, typewriter, accountant, merchant, salesman, agent, manufacturer, farmer, laborer, servant, nurse, barber, hairdresser, manicurist, chiropodist, musician, actor, actress, artist, author, journalist, photographer, decorator, engraver, lithographer, sculptor, dancer, professional athlete, or other specific calling. Laborers, without further description, will not be accepted. Such entries as "Manufacturer," "Dealer," "Trader," "Clerk," "Student," "Engineer," "Mechanic," "Agent," "Miner," "Servant," "Laborer," "Farmer," "Gentleman," "Housekeeper," "Housework," "Machinist," "Operative," "Peddler," "Driver," "Painter," "Butcher," "Cook," "Waiter," "Seaman," "Fireman," "Sailor," "Stevedore," "Porter," "Helper," "Hostler," "Teamster," "Turner," or other indefinite designations are not sufficient.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, before proceeding to examine aliens during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Can read?" "Can write?" In answering this question the word "Yes" or "No" should be used. If exemption is claimed, upon what ground such exemption is claimed, whether the alien is able to read, should be stated. If alien is unable to read and claims exemption from the reading requirements, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the correct race, even in case of children.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reports made in this regard. For instance, "France" appearing under the race column is no indication that the alien is a member of the French race or people, and, similarly, "French" appearing under the nationality column does not necessarily show that the alien is a member of the French race or people. An Irish, German, or Hebrew alien by race is not to be reported as coming under the headings of England, Scotland, or any other country. In this connection the following distinctions should be carefully observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show who the going to join (either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectional officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible]prowitch, Surgeon of the [illegible]S "Pacuta" sailing therewith, (State whether "Surgeon" sailing therewith" or "employed by owners thereof" as the case may be) do solemnly, sincerely, and truly affirm that I have had 23 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of College of Physicians and Surgeons of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, one in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Arthur Smith Master, of the S/S Wacuota, from Vera Cruz, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation of each alien at last permanent residence, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money involved.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: "Can read?" "Can write?" "Can both read and write?" "If exempt, upon what ground?" In answering this question the word "Yes" or "No" (or if exemption is claimed, upon what ground) should be stated. If alien is unable to read and claims exemption on the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people even if same as that of nationality.

Special attention should be paid to the distinction between race and the country of which citizen or subject a person last resided, and country of birth, and manifests should be carefully prepared so that persons of one race, as the Irish, for instance, born in the United States, or in any country other than Ireland, will not be reported as of the Irish race or people, and, similarly, persons of the Hebrew race, born in Russia, Germany, or elsewhere, will not be reported as of the German race or people, but as Hebrew.

Persons born in the British Isles should be carefully considered, and not reported as English, Scotch, or Irish, unless they are natives of England, Scotland, or Ireland, respectively, and not natives of Wales, Ireland (Eire), or Northern Ireland (Ulster).

Special attention should be given to the following races:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether has ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *Whether passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided between the several members of the family.

Column 18. *Whether ever before in the United States, and, if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, 1895, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others in the sheet, are subject to revision by inspection officials in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.
